Badger Boys Series turns 10 years old, continues to grow

The Badger Boys Series began in the spring of 2014 and is seeing record numbers this year. The first event was Dec. 8 at Milwaukee Sting Center. The next event will be Jan. 19 at the same location and serves as a low-stress, low-cost, close-to-home event for Badger Region Boys teams under the age of 13.

Damien Evans, Ozaukee Volleyball Club director and a coach said, "I was blown away by the number of teams at the first Badger Boys Series this season! Back in 2014, when we started this series, there were 7 total boys teams that were younger than 13 in the region, but on Friday night I saw 17 boys teams ranging in age from 11 to 13, playing on 8 courts!"

"This is exactly why we started the BBS - to grow the game for younger boys and give them an opportunity to play against other boys their age," Evans said. "This is the first time I've coached 13s since 2015, and the first BBS event I've been to since then, so it's so awesome to see that vision come to fruition!"

Board approves changes to tryouts

Region clubs allowed to offer a summer tryout

The Badger Region Board of Directors met Nov. 20, and voted to allow an additional tryout and commitment period to take place in the summer starting with the 2024-25 club volleyball season while maintaining the October and November tryout and commitment periods that are currently in place.

The following motion was approved by the Board 11-1 and will be effective July 1, 2024.

The Badger Region will allow clubs to open tryouts to all ages and gender of athletes on the second Saturday after the conclusion of the final day of the USA Volleyball Girls Junior National Championships (GJNC) or Boys Junior National Championships (BJNC) (whichever is later). All tryouts must be completed by 11:59 p.m. CT the Sunday before the start of the WIAA season. If an athlete receives an offer from a club, it must be honored until 7 p.m. CT Aug. 1. Any offer made after that time is at the discretion of the club.

Summer tryouts must be concluded once high school season begins. If a club holds a tryout during the regular fall tryout period, they may do so the first Saturday in October for athletes 14-and-younger, or the Saturday after the conclusion of the WIAA state volleyball tournament (15-and-older). Clubs must honor their offers until the Monday after the tryout period at 7 p.m. Any offers made after 7 p.m. are at the discretion of the club.

Clubs can offer a retention offer to those athletes who played for their club that season for the following club season to athletes starting on July 1 through seven days after the final day of the GJNC or BJNC (whichever is later).

Details

The second Saturday after the last day of the GJNC and BJNC would allow a minimum of at least eight days for an athlete to recover from the end of their season. It will also allow some time for athletes and families to consider possible retention offers they may have received, and mirrors tryout policies from neighboring regions.

The policy allows clubs to host tryouts for all ages and genders during the summer tryout period while still retaining the fall tryout periods. Clubs may choose to host tryouts during any or all of the available periods. The updated policy does not mandate that a club hold tryouts during the summer tryout period; this is up to the discretion of each individual club.

The Aug. 1 commitment date allows a longer tryout period and will allow athletes to attend multiple tryouts possibly over two weekends. This gives athletes and families to try out at multiple locations and not have to race from club to club on just one day of tryouts. The Aug. 1 deadline gives clubs and athletes two weeks before the high school season starts.

Moving the retention period to July 1 through seven days after the final day of the GJNC or BJNC allows clubs who choose not to participate in the summer tryout period to retain athletes. The summer tryout period and summer retention appeal to athletes who want to know what club they will train with and compete with after their high school or middle school seasons.

If a club chooses to host a tryout in the summer period, they can then advertise for

available team openings for the fall tryout periods. Allowing a summer tryout gives clubs additional planning time to organize their resources to prepare for the upcoming club volleyball season.

Timeline

These policies will go into effect for the 2024-25 season, with the applicable dates below for the coming season

1. Retention will open July 1, 2024, for the 2024-25 season the last day of the 2024 GJNC / BJNC will be July 11.
 2. The last day a retention offer can be signed will be July 18.
 3. The first allowed dates for tryouts will be July 20
 4. The first commitment date will be Aug. 1. Any offers made after this date are at the discretion of the club.
 5. The last allowed date of summer tryouts will be Aug. 18.
 6. WIAA (high school) season starts Aug. 19
 7. Fall tryouts can start Oct. 5 for 14-and-under (Commitment date: Oct.7)
 8. Fall tryouts can start Nov. 16 for 15-and-older (Commitment date: Nov. 18)
- More details about how official commitments will be made and other logistical adjustments will be published once they are finalized.
- The Badger Region appreciates all of the time spent by the tryout committee, board members, club directors and others during this several year process. Numerous surveys of families and clubs, club director listening sessions and almost two years of planning went into the decision made by the Board of Directors.
- We understand that with change comes questions, which we will help facilitate. Please send any questions to membership@badgervolleyball.org.

E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at brian@badgervolleyball.org.

Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

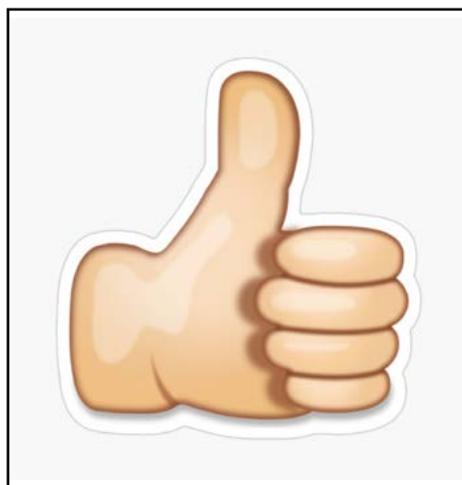

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Region to host 2025 All-Star event

Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

Won80 founder Mark Horbinski gave sportsmanship interactive presentations to 414 Milwaukee Elite (above) and Wisconsin Ice (right) over the course of the past month to kick off the 2023-24 club volleyball season in the Badger Region.

Won80 brings high energy to sportsmanship presentations

With the start of the new club season, the Badger Region entered its second year of its partnership with Won80, an organization dedicated to sportsmanship and the role it plays in athletics and character development.

As a benefit to members (clubs, parents, fans, officials and athletes), the Badger Region works to coordinate Won80 with clubs who are interested in receiving a free sportsmanship presentation from founder Mark Horbinski, a longtime teacher, coach and official in Wisconsin for over 30 years.

Horbinski's grassroots movement called Won80 is on a mission to lead a return to sportsmanship through awareness, education and inspiration. His presentations encourage participants to focus on their own behaviors and action that will in turn allow everyone to positively impact teammates, teams and communities alike.

Won80's sportsmanship summits (many of which are about 60 minutes in length) are hands-on, high energy and engaging. They also contain relevant topics that coincide with thought-provoking and empowering messages. Horbinski also is able to work with clubs to collaborate and customize his presentations for specific groups.

Logo contest launched for 2024 Championships

If you are creative and interested, the Badger Region wants you to design a logo for the 2024 Badger Region Championships.

What's your inspiration? This year, the event will be taking place in Green Bay, Appleton and downtown Milwaukee across three weekends in March. Let's celebrate our sport across the state and make the 2024 Championships logo something that all Badger Region members can get behind.

The deadline for submission of the logo is Dec. 15, 2023. You can send your samples as PDFs or JPGs for consideration in the contest. But all final images must be sent as .eps files. Send your files as an .eps to brian@badgervolleyball.org.

The images must be able to be reproduced in black and white and in four-color formats. The logo

will become property of the Badger Region if it is chosen as the logo of choice for the 2024 Badger Region Championships. The Badger Region logo must be incorporated into the design of your Championships design.

Winners will receive Badger Region apparel, an Amazon gift card, a Molten volleyball, a Badger Region backpack and other Badger Region swag.

We look forward to seeing all the great submissions!

New divisions added to Girls Junior Nationals

As volleyball continues to grow in popularity around the country, USA Volleyball announces two pilot divisions for the 2024 Girls Junior National Championship (11-13) in Dallas, Texas.

The 2024 Girls Junior National Championship (11-13) is set to take place June 21-24 at the Kay Bailey Hutchison Convention Center.

USA Volleyball will test the 10 Patriot and 12 Patriot divisions in 2024 to gauge interest and participation at the younger levels in hopes of expanding the national championship to more teams.

Partnership with LOVB

USA Volleyball today announced a partnership with League One Volleyball (LOVB) to support LOVB's American professional league, which launches after the Paris Olympic Games in November 2024.

The collaborative partnership will focus on growing volleyball's fan base and participation in the sport across the country.

Volleyball's popularity is already on the rise as it is the most popular team sport for high school and college girls while boys' high school numbers have increased by 40 percent since 2017. In the 2022-23 season, USA Volleyball membership increased by 9.6 percent to 408,000 (the

largest percentage growth since 1998), and the growth was reflected at all levels of play, genders and age groups.

LOVB's partnership with USA Volleyball will focus on helping and promoting the league's professional teams, which has several present and former members of the U.S. Women's National Team already affiliated. Women's National Team players who have signed with LOVB include setters Lauren Carlini, Micha Hancock, Carli Lloyd and Jordyn Poulter, libero Justine Wong-Orantes, outside hitter Kelsey (Robinson) Cook, opposite Jordan Thompson and middle blocker Haleigh Washington.

Rulebooks now available

New USAV rulebooks (also known as the DCR) are in that are good through the 2023-25 season.

The Badger Region will be disseminating these at the in-person officials meetings and mailing to those who we may miss those events.

Coaches and clubs will not receive hard copies of the rulebook this season as they are available on the USA Volleyball website for download.

For a link to an online edition of the DCR, please [click here](#). Questions? Email sara@badgervolleyball.org.

Send in your questions about uniforms for approval

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should

not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

AT-A-GLANCE

2022 MINOR ATHLETE ABUSE PREVENTION POLICIES

In September 2022, the U.S. Center for SafeSport (the Center) published the Minor Athlete Abuse Prevention Policies (MAAPP) with Mandatory Components that NGBs, PSOs, and the USOPC were required to adopt. USA Volleyball adopted its 2022 MAAPP on 11/1/2022.

This document is based on the minimum mandatory components of the Center's Model MAAPP. Every Organization may choose to go beyond these minimum requirements and set standards that are stricter. Additionally, Adult Participants must be familiar with their respective Organization's policies and be aware of all requirements.

EDUCATION AND TRAINING

REMEMBER:

- If you have Regular Contact with or Authority over a Minor Athlete, or if you are an employee or board member of an NGB, PSO, LAO or the USOPC, you are required to complete the SafeSport Trained Core and subsequent Refresher Courses.
- Adult Participants who also are medical providers obligated to complete training can take the Health Professionals Course in lieu of the SafeSport Trained Core.
- Adult Participants must complete training:
 - Before Regular Contact with a Minor Athlete begins; and
 - Within the first 45 days of initial membership or upon beginning a new role subjecting the adult to this policy

This publication is approved for public distribution pursuant to 25CFR 16.0002. It is the property of the U.S. Center for SafeSport. It is loaned to you and is not to be distributed, copied, or otherwise used without the express written permission of the U.S. Department of Justice.

IN-PROGRAM CONTACT

As the equation illustrates, all three components (Adult Participant, Minor Athlete, and Related to Participation in Sport) must be present for the MAAPP to apply. If one component is absent, then the interaction or activity would NOT be considered In-Program and thus not covered by the MAAPP.

- ADULT PARTICIPANT:** Any adult (18 years of age or older) who is:
 - A member or license holder of an NGB, PSO, LAO, or USOPC;
 - An employee or board member of an NGB, PSO, LAO, or USOPC;
 - Within the governance or disciplinary jurisdiction of an NGB, PSO, LAO, or USOPC;
 - Authorized, approved, or appointed by an NGB, PSO, LAO, or USOPC to have Regular Contact with or Authority over Minor Athletes.
- MINOR ATHLETE:** An amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, an NGB, PSO, LAO, or USOPC.

DUAL RELATIONSHIP

In addition to the above three exceptions there is an overarching Emergency Exception that applies in all areas of the MAAPP.

MAAPP EXCEPTIONS:

In the MAAPP, there are multiple areas where exceptions have been built into the Required Prevention Policies to address common relationships and situations that occur throughout the U.S. Olympic & Paralympic Movement; if an exception applies to a specific policy, it will be listed as a possible exception, along with any additional requirements. The exceptions found in the MAAPP are:

- EMERGENCY:**
- CLOSE-IN-AGE:** When an Adult Participant does not have Authority over the Minor Athlete and is no more than four years older than the Minor Athlete.
- PERSONAL CARE ASSISTANT (PCA):** When an Adult Participant is a Personal Care Assistant and has met the following requirements:
 - The Minor Athlete's parent/guardian must provide written consent to the Organization for the PCA to provide care/work with their Minor Athlete.
 - The PCA must complete the required training as defined in the Education & Training Policy.
 - The PCA must meet all screening requirements of the Organization.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
