## 18s wrap up season at GJNCs

Seven new champions were crowned Sunday at the 2024 Girls 18s Junior National Championship in Baltimore, Md. In its eighth year as a stand-alone championship, the annual event offers club players the chance to compete against the best of the best in the highest age group.

For the second year, the event also included a player prom for those who might have missed their event at home and those who just wanted to dance.

Each of the seven division winners (out of 315 teams) were from different clubs: TAV 18 Black (North Texas Region); Aspire 18 Black (Arizona Region); C1VB ONE Heather (Palmetto Region); VVA 18-1 (North Country Region); AZ Sky 18 Gold (Arizona Region); NIVA 18 Purple (Hoosier Region); A5 18-2 boba (Southern Region).

# SAVE THE DATES

## Age divisions set for some of Region's marquee events

It's going to be an exciting time at the Baird Center in downtown Milwaukee in February and March of 2025.

That is when and where the Badger Region will host four weekends of competition in the upcoming year. And with the expansion of the Baird Center, the facility will be able to hold more than 50 courts every weekend. That means for the Badger Region Championships, we will be back under one roof and all in two weekends.

Check out the dates and some of the details of some of the Badger Region's marquee event slated for 2025. All dates and age divisions are subject to change.

### Badger Region Championships

- \* **March 15-16, 2025:** G12 open/club, G13, G14, G17, G18
- \* **March 22-23, 2025:** G10s, G11s, G12s Bad-

ger/Wisconsin, G15s, G16s and all boys

### Badger Region Girls Qualifier

\* **March 1-2:** Featuring bid divisions for Girls 11s-18s. The 2024 event featured 110 teams in Madison

### Dale Rohde Memorial Boys Tournament

\* **Feb. 22-23:** Featuring over 130 boys teams from across the upper Midwest. The 2024 event featured 130 teams in Madison.

Also to note, the Dale Rohde Tournament and Badger Region Qualifier will coincide with the Milwaukee Auto Show taking place in the adjacent halls of the Baird Center. How cool is that!?

The Badger Region has not set dates yet for the Badger Boys Series or Power League. More info coming soon.

# Lunch & Learn explores tryout policy

Badger Region staff and members of its Board of Directors discussed the recent changes to the tryout policies at 11:30 a.m. April 30.

The event aired live on Facebook Live and is archived online by [clicking here](#).

A corresponding PowerPoint that was used during the webinar can be viewed by [clicking here](#).

Throughout the webinar, a handful of topics continued to come up including:

- \* What if my club is not offering summer tryouts? What should I do?
- \* What if I cannot attend a summer tryout due to vacation or other commitments in other sports?

These questions, and others

similar to it have a common answer: Work with your club to find out a solution and advocate for yourself and your young athlete. Parents and players are customers of their clubs and have a right to speak up even if they sometimes have to have tough conversations with club directors.

For more information, check out the [Tryout/Commitment website here](#).

Changes for the 2024-25 go into effect July 1, when the retention period will open.

Other important dates that go along with the new tryout policy:

\* The last day of the 2024 USA Volleyball GJNC/BJNC will be July 11.

\* The last day a retention

offer can be signed will be July 18.

\* The first allowed dates for tryouts (and age or gender) will be July 20, 2024

\* The first commitment date will be Aug. 1. Any offers made after this date are at the discretion of the club.

\* The last allowed date of summer tryouts will be Aug. 18.

\* WIAA (high school)

season starts Aug. 19

\* Fall tryouts can start Oct. 5 for 14-and-under (Commitment date: 7 p.m. Oct. 7)

\* Fall tryouts can start Nov. 16 for 15-and-older (Commitment date: 7 p.m. Nov. 18)

# BADGER REGION TEAMS OF THE WEEK

Congrats to MKE Sting 15-White for being named Badger Region Team of the Week. In this week's write-up, the nominator said, "This past weekend, we finished 5th out of 96 teams in the Liberty division at the Northeast Qualifier in Philly. What we are most proud of for this team is how much they have grown in their support of one another. Team chemistry was our biggest challenge at the start of the season and over the last several weeks we have focused on team bonding and encouraging each other on and off the court. This past weekend, in particular, we noticed how much their conversations were changing going into a match and the way they spoke to each other on the sidelines. These girls have really come together and learned how to lift each other up."

# HP All-Star tryouts, other details announced

The best of the best are coming together in 2024 for the [Badger Region High Performance All-Star program](#).

That means elite athletes from clubs around the state. Top coaches from colleges and clubs from around the Badger Region. And all topped with an international tournament experience not offered at any other level of junior volleyball.

And that starts with our first round of announcements having to do with tryout, training dates and overnight camps that lead up to the culminating USA All-Star Championships where Badger Region All-Star teams will compete against a full slate of other Region All-Star teams and All-Star teams from international delegations.

## Tryouts ([register here](#))

Athletes in the following age groups are eligible to try out for a spot in the Badger Region HP All-Star program in 2024.

- U19: Boys and Girls born in 2006 and 2007
- U17: Boys and Girls born in 2008 and 2009
- U15: Boys and Girls born in 2010, 2011 and elite level athletes born in 2012

This will be the first time the Region offers a Girls U19 team, and it is the first time the Region is offering a Boys U15 team.

Tryouts will take place on the following dates:

- March 1: Girls U15, U17 and U19 at the Alliant Center in Madison prior to the Badger Region Qualifier (6 p.m.)
- March 15: Boys U15, U17 and U19 at the Baird Center (formerly the Wisconsin Center) in downtown Milwaukee prior to the Badger Region Championships (6 p.m.)
- March 22: Girls U15, U17 and U19 at the Baird Center (formerly the Wisconsin Center) in downtown Milwaukee prior to the Badger Region Championships (6 p.m.)

• Video submissions for tryouts will be considered on a case-by-case basis

Cost of tryouts is \$40 and includes a tryout t-shirt. [To register for tryouts, click here.](#)

From the tryouts, 30 athletes in each age group will be brought in for training dates (listed below) with their respective age/gender. An age group consists of athletes born in two years. For example, 30 athletes are chosen in the U19 age group who are born in 2006 and 2007. That doesn't mean 30 kids from 2006 and 2007. That means 30 kids total.

Who should attend tryouts? The Badger Region HP All-Star program is for elite athletes who want to be considered for a spot on an international volleyball team representing the state of Wisconsin. All participants must be a current Badger Region member.

## Girls training dates

Changes to the traditional training schedule need to happen for the Badger Region HP

All-Star program due to the timing of USA Volleyball's Girls Junior National Championships and the dates for the USA All-Star Championships. Since there are only six days between the last day of GJNCs in Las Vegas and the departure date for the All-Star event in Iowa, the girls program will be modifying its schedule.

The tentative girls training dates are as follows:

- May 4 or May 5: Training date at site TBA
- May 11: Training date at site TBA

The coaching staff will narrow down their group of 30 to the 12 athletes who will be offered spots on the travel team after May 11. The 12 athletes chosen for the team and a handful of alternates will come together July 14-15 for an overnight camp at a site TBA.

Costs of the training dates and overnight camp will be announced soon.

## Boys training dates

Coaches will pick 24-30 athletes per age

group and bring them to one-day training sessions as follows:

- April 21 at the New Berlin SportsPlex
- May 5 at the New Berlin SportsPlex
- June date (if needed)

The athletes chosen for the travel teams will come together July 14-15 at a site TBA for an overnight camp.

Costs of the training dates and overnight camp will be announced soon.

## All-Star Championships

The USA-All-Star Championships will be held July 18-21 in Des Moines, Iowa. The Badger Region delegation will depart the morning of July 17 and return the morning of July 22.

## Badger Region HP All-Star

Not familiar with High Performance? Here's just a few of the great perks:

- Expose athletes to high-level college (NCAA and NAIA) recruiters who attend the international tournament.
- Offer a college-like sports experience where athletes learn what it is like to be treated like an elite-level athlete.
- Be a part of independent travel experience led by highly certified Badger Region staff and HP Coaches
- Gain exposure to elite level coaching provided by the Midwest's highest level club and college coaches.
- Compete and train alongside other all-star caliber athletes from around the Badger Region.
- Play against other all-star teams from around the country and the world

# E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

## Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org) or call 414-313-9055.

# Board approves changes to tryouts

## Region clubs allowed to offer a summer tryout

The Badger Region Board of Directors met Nov. 20, and voted to allow an additional tryout and commitment period to take place in the summer starting with the 2024-25 club volleyball season while maintaining the October and November tryout and commitment periods that are currently in place.

The following motion was approved by the Board 11-1 and will be effective July 1, 2024.

The Badger Region will allow clubs to open tryouts to all ages and gender of athletes on the second Saturday after the conclusion of the final day of the USA Volleyball Girls Junior National Championships (GJNC) or Boys Junior National Championships (BJNC) (whichever is later). All tryouts must be completed by 11:59 p.m. CT the Sunday before the start of the WIAA season. If an athlete receives an offer from a club, it must be honored until 7 p.m. CT Aug. 1. Any offer made after that time is at the discretion of the club.

Summer tryouts must be concluded once high school season begins. If a club holds a tryout during the regular fall tryout period, they may do so the first Saturday in October for athletes 14-and-younger, or the Saturday after the conclusion of the WIAA state volleyball tournament (15-and-older). Clubs must honor their offers until the Monday after the tryout period at 7 p.m. Any offers made after 7 p.m. are at the discretion of the club.

Clubs can offer a retention offer to those athletes who played for their club that season for the following club season to athletes starting on July 1 through seven days after the final day of the GJNC or BJNC (whichever is later).

## Details

The second Saturday after the last day of the GJNC and BJNC would allow a minimum of at least eight days for an athlete to recover from the end of their season. It will also allow some time for athletes and families to consider possible retention offers they may have received, and mirrors tryout policies from neighboring regions.

The policy allows clubs to host tryouts for all ages and genders during the summer tryout period while still retaining the fall tryout periods. Clubs may choose to host tryouts during any or all of the available periods. The updated policy does not mandate that a club hold tryouts during the summer tryout period; this is up the discretion of each individual club.

The Aug. 1 commitment date allows a longer tryout period and will allow athletes to attend multiple tryouts possibly over two weekends. This gives athletes and families to try out at multiple locations and not have to race from club to club on just one day of tryouts. The Aug. 1 deadline gives clubs and athletes two weeks before the high school season starts.

Moving the retention period to July 1 through seven days after the final day of the GJNC or BJNC allows clubs who choose not to participate in the summer tryout period to retain athletes. The summer tryout period and summer retention appeal to athletes who want to know what club they will train with and compete with after their high school or middle school seasons.

If a club chooses to host a tryout in the summer period, they can then advertise for

available team openings for the fall tryout periods. Allowing a summer tryout gives clubs additional planning time to organize their resources to prepare for the upcoming club volleyball season.

## Timeline

These policies will go into effect for the 2024-25 season, with the applicable dates below for the coming season

1. Retention will open July 1, 2024, for the 2024-25 season the last day of the 2024 GJNC / BJNC will be July 11.
  2. The last day a retention offer can be signed will be July 18.
  3. The first allowed dates for tryouts will be July 20
  4. The first commitment date will be Aug. 1. Any offers made after this date are at the discretion of the club.
  5. The last allowed date of summer tryouts will be Aug. 18.
  6. WIAA (high school) season starts Aug. 19
  7. Fall tryouts can start Oct. 5 for 14-and-under (Commitment date: Oct.7)
  8. Fall tryouts can start Nov. 16 for 15-and-older (Commitment date: Nov. 18)
- More details about how official commitments will be made and other logistical adjustments will be published once they are finalized.
- The Badger Region appreciates all of the time spent by the tryout committee, board members, club directors and others during this several year process. Numerous surveys of families and clubs, club director listening sessions and almost two years of planning went into the decision made by the Board of Directors.
- We understand that with change comes questions, which we will help facilitate. Please send any questions to [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

# Region to host 2025 All-Star event

## Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at [www.BadgerVolleyball.org](http://www.BadgerVolleyball.org) or contact us at [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
