Board of Directors election concludes

The results have been tabulated and vetted for the 2024 Badger Region Board of Directors election, which ran from May 1-10.

Winning the election for the At-Large Representative seat is Kyleigh (Block) Neave, a coach and director for Juniors Volleyball Club.

Retaining their seats are Breit Nelson (Northwest Representative) and Bonnie Stalker (Southwest Representative), who are

club directors for Wisconsin Ice and Crossfire VBC, respectively, while Stalker also serves as an official and Nelson a coach with the Badger Region HP All-Star program.

Filling the newly-created Official's Representative seat will be Patti Dawson, a longtime Badger Region official and coach.

Additionally, Dan Habeck was approved by the Board of Directors at its May 8 meeting to serve

as the Independent Representative for legal and human resources matters.

Stepping away from the Board of Directors will be Jim Momsen, who has served on the board since 2008, most recently as President. Josh Price (At-Large), who has been a member of Badger Region since 2010, and Angela Lubach (Independent), who was appointed in 2015, will also both be stepping away from their official duties as

board members. We thank all three for their huge contributions to the advancement and growth of the Badger Region!

All board members will begin their terms in June with the first board meeting taking place in August. An internal election for President will be held in June by current board members. For more information on the operations of the Badger Region, [please visit our website](#).

Age divisions set for some of Region's marquee events

It's going to be an exciting time at the Baird Center in downtown Milwaukee in February and March of 2025.

That is when and where the Badger Region will host four weekends of competition in the upcoming year. And with the expansion of the Baird Center, the facility will be able to hold more than 50 courts every weekend. That means for the Badger Region Championships, we will be back under one roof and all in two weekends.

Check out the dates and some of the details of some of the Badger Region's marquee event slated for 2025. All dates and age divisions are subject to change.

Armson-Dyer to receive USAV award on Wednesday

Badger Region Executive Director / Commissioner Jennifer Armson-Dyer has been announced as the 2024 recipient of the Dr. Neville A. "Doc" Booth Commissioner's Award, USA Volleyball announced today. The award recognizes "individuals who have made significant contributions to volleyball and USA Volleyball through the office of regional commissioner."

Armson-Dyer becomes only the 12th woman to be honored since the award's inception in 1976. She will receive the honor

at the USA Volleyball Hall of Fame Dorothy C. Boyce banquet on May 22 in Columbus, Ohio. She will be honored alongside other leaders in the sport, including Doug Beal, Fred Buehler, Hugh McCutcheon, Kevin Twohig and Kevin Wendleboe. For the full listing of leaders, [click here](#).

"I'm humbled to receive this honor," said Armson-Dyer. "To be recognized with the Doc Booth award is certainly not something I ever expected, especially looking at the list of great

leaders who have received this before me. You don't become a youth sport administrator for the accolades, but I love giving back to the sport that has given me so much in my life."

Armson-Dyer joined the Badger Region staff in 2009 as the Membership Services Coordinator and was promoted to Director of Operations in September of 2011, with a title change to Executive Director and Commissioner in 2019

In her time with Badger Region, Armson-Dyer has

overseen staff, programming, membership and event expansions and website redevelopment along with the creation and implementation of an internal budgeting and financial process. She has developed administrative controls such as an employee handbook and employee review process and has helped guide the board through four strategic planning sessions to facilitate the direction of the Region while remaining a sounding board for club directors on policies and procedures.

USA Volleyball announces men's Olympic roster for Paris

USA Volleyball is proud to announce the athletes and staff who will comprise the U.S. Men's Volleyball Team for the Olympic Games Paris 2024.

The athlete roster includes nine players with Olympic experience and three newcomers who will compete at the Paris Games, which run July 26-August 11.

Opposite Matt Anderson and middle blocker David Smith will compete in their fourth Olympic Games. Each athlete made his Olympic debut at London 2012 and earned a bronze medal at Rio 2016.

Setter Micah Christenson, middle blocker Max Holt, outside hitter Thomas Jaeschke and libero Erik Shoji have each made a third Olympic roster. Each also has a bronze medal from Rio 2016.

Outside hitters T.J. DeFalco, Aaron Russell and Garrett Muagututia will each compete in a second Olympics. Russell won a bronze medal in Rio but did not compete at Tokyo 2020. DeFalco and Muagututia made their Olympic debuts in Tokyo.

Middle blockers Taylor Averill and Jeff Jendryk, and setter Micah Ma'a will make their Olympic

debut in Paris.

Opposite Kyle Ensing, a 2020 Olympian, will be the team's official alternate athlete, a new position for 2024. The official alternate is a non-competing athlete who may serve as a last-minute replacement if a player is unable to compete due to injury or illness. In that event, the replaced athlete would not be allowed to compete for the remainder of the competition.

"One of the hardest parts about coaching this team is naming the final 12 athletes who will play at the Olympics," U.S. Men's Head Coach John Speraw said. "We travel 14 players to every single tournament during a quad. To narrow it down to 12 is always such a challenge. It's such a tough decision because we have so many talented, hard-working, high-character athletes who have been great teammates and represented the United States very well. Ultimately, we decided that this was the best 12 to go compete for us in Paris."

Speraw will serve as head coach of his third Olympic team after leading the U.S. Men in Rio, where they took the bronze med-

al, and Tokyo. He served as an assistant coach for the U.S. Men's Team that won gold at the Beijing 2008 Games, and for the London 2012 team.

Speraw is also the head coach of the UCLA men's volleyball team and won his second straight NCAA championship on May 5.

The U.S. Men are ranked No. 2 in the world. The team has competed in 12 Olympic Games, including the last 10, and has won three Olympic gold medals (1984, 1988 and 2008) and two bronze medals (1992 and 2016).

The men's Olympic competition schedule and pools will be revealed at the conclusion of the 2024 Volleyball Nations League Final Round, which ends on June 30. The U.S. Men will begin play in the Volleyball Nations League on May 22.

E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at brian@badgervolleyball.org.

Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email brian@badgervolleyball.org or call 414-313-9055.

Board approves changes to tryouts

Region clubs allowed to offer a summer tryout

The Badger Region Board of Directors met Nov. 20, and voted to allow an additional tryout and commitment period to take place in the summer starting with the 2024-25 club volleyball season while maintaining the October and November tryout and commitment periods that are currently in place.

The following motion was approved by the Board 11-1 and will be effective July 1, 2024.

The Badger Region will allow clubs to open tryouts to all ages and gender of athletes on the second Saturday after the conclusion of the final day of the USA Volleyball Girls Junior National Championships (GJNC) or Boys Junior National Championships (BJNC) (whichever is later). All tryouts must be completed by 11:59 p.m. CT the Sunday before the start of the WIAA season. If an athlete receives an offer from a club, it must be honored until 7 p.m. CT Aug. 1. Any offer made after that time is at the discretion of the club.

Summer tryouts must be concluded once high school season begins. If a club holds a tryout during the regular fall tryout period, they may do so the first Saturday in October for athletes 14-and-younger, or the Saturday after the conclusion of the WIAA state volleyball tournament (15-and-older). Clubs must honor their offers until the Monday after the tryout period at 7 p.m. Any offers made after 7 p.m. are at the discretion of the club.

Clubs can offer a retention offer to those athletes who played for their club that season for the following club season to athletes starting on July 1 through seven days after the final day of the GJNC or BJNC (whichever is later).

Details

The second Saturday after the last day of the GJNC and BJNC would allow a minimum of at least eight days for an athlete to recover from the end of their season. It will also allow some time for athletes and families to consider possible retention offers they may have received, and mirrors tryout policies from neighboring regions.

The policy allows clubs to host tryouts for all ages and genders during the summer tryout period while still retaining the fall tryout periods. Clubs may choose to host tryouts during any or all of the available periods. The updated policy does not mandate that a club hold tryouts during the summer tryout period; this is up the discretion of each individual club.

The Aug. 1 commitment date allows a longer tryout period and will allow athletes to attend multiple tryouts possibly over two weekends. This gives athletes and families to try out at multiple locations and not have to race from club to club on just one day of tryouts. The Aug. 1 deadline gives clubs and athletes two weeks before the high school season starts.

Moving the retention period to July 1 through seven days after the final day of the GJNC or BJNC allows clubs who choose not to participate in the summer tryout period to retain athletes. The summer tryout period and summer retention appeal to athletes who want to know what club they will train with and compete with after their high school or middle school seasons.

If a club chooses to host a tryout in the summer period, they can then advertise for

available team openings for the fall tryout periods. Allowing a summer tryout gives clubs additional planning time to organize their resources to prepare for the upcoming club volleyball season.

Timeline

These policies will go into effect for the 2024-25 season, with the applicable dates below for the coming season

1. Retention will open July 1, 2024, for the 2024-25 season the last day of the 2024 GJNC / BJNC will be July 11.
 2. The last day a retention offer can be signed will be July 18.
 3. The first allowed dates for tryouts will be July 20
 4. The first commitment date will be Aug. 1. Any offers made after this date are at the discretion of the club.
 5. The last allowed date of summer tryouts will be Aug. 18.
 6. WIAA (high school) season starts Aug. 19
 7. Fall tryouts can start Oct. 5 for 14-and-under (Commitment date: Oct.7)
 8. Fall tryouts can start Nov. 16 for 15-and-older (Commitment date: Nov. 18)
- More details about how official commitments will be made and other logistical adjustments will be published once they are finalized.
- The Badger Region appreciates all of the time spent by the tryout committee, board members, club directors and others during this several year process. Numerous surveys of families and clubs, club director listening sessions and almost two years of planning went into the decision made by the Board of Directors.
- We understand that with change comes questions, which we will help facilitate. Please send any questions to membership@badgervolleyball.org.

Region to host 2025 All-Star event

Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at www.BadgerVolleyball.org or contact us at membership@badgervolleyball.org.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
