## Momsen reflects on tenure as president

As Southeast Representative Holly Jablonowski gets ready to lead the Badger Region as president of its Board of Directors, we thought it would be appropriate to look back on the massive number of success stories outgoing president Jim Momsen was a part of during his tenure in the position.

Momsen, who followed longtime president Julie Voeck, had a hand in the following over the course of the past six years:

\* Getting the Badger Region through the trials and tribulations that was COVID-19 and helping the Region emerge in a relatively strong

financial position compared to other Regions around the nation.

ree Mentorship and Advancement Program

\* Revised tryout dates and player retention program

\* Amazing growth in membership numbers including exponential

\* New bylaws and board structure

\* An updated strategic plan

\* More organized/improved Coaches Education plan

\* Revised Referee Mentorship and Advancement Program

growth in boy's programs

\* A year filled with events in Green Bay, Madison, Appleton and Milwaukee and the largest ever Badger Region Championships

\* The launch of the Badger Region Power League

\* Secured the bid to host the 2025 USAV All Star Championships

\* Reorganization of Staff Responsibilities, including bringing some functions in-house

\* Exploration, and inclusion, of benefits for Badger Region Staff

\* New Officials' Independent Contractor Agreement for 2024-2025 season

"I certainly didn't accomplish this by myself and I made some mistakes along the way," Momsen wrote. "Badger Region has a very passionate Board of Directors and Staff who make sometimes very difficult decisions in the best interests of the Region, Clubs, Coaches, Players, and Officials. We were not afraid to try new initiatives after thorough vetting by the Board of Directors. I look forward to watching our new President, Holly Jablonowski, the Board of Directors, and Staff, explore and implement new initiatives to continue to make Badger Region Volleyball better."

## FINAL FINISHES

## Summer tryouts opportunities on the horizon

### See video for ways to navigate opportunities

As a reminder, the Badger Region is now allowing tryouts to take place during the summer leading up to the 2024-25 club volleyball season.

Tryouts can begin as early as July 20, 2024. On top of that, clubs can offer current athletes in their programs retention offers from July 1 through July 18.

Want to know when clubs in your area are offering tryouts, check out our [website by clicking here](#).

The Badger Region also offered a Lunch & Learn in place of any open houses this year earlier this week. The video is archived on our [Facebook page here](#).

During the presentation, Badger Region staff talked about what to look for in a club, what to know about membership and important dates that athletes and clubs must abide by.

For more on the upcoming season of changes, see our interactive diagram on Page 3.

## Region offers outdoor net rentals

The Badger Region invested in 12 outdoor nets and is offering rental of those nets for Badger Region clubs and members to bolster beach or grass programming in their organization.

If you or your club needs nets that might be used for an outdoor tournament, clinic or social gathering, contact Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org) or call/text him at 414-313-9055.

All of the Park N Sun net systems include:

- Two poles
- Net
- Rope tiedowns
- Metal stakes
- Court lines with stakes

Renters would be responsible for all set-up, take-down and transportation (to and from the Badger Region office) of the outdoor nets rented from the Badger Region Volleyball Association. (Mallets/hammers to anchor stakes are not included)

Nets will be rented at the following rates:

- 1-4 nets: \$25/weekend/net
- 5-8 nets: \$20/weekend/net
- 9-12 nets: \$15/weekend/net

If you or club agrees to rent three or more times throughout the summer, an additional 20 percent will be taken off your rental rate. Individuals must be a member in good standing with of the Badger Region in order to rent the outdoor nets.

Payment in full must be made with credit card prior to rental. An electronic invoice will be sent in advance of the pick-up date.

All materials must be returned to the Badger Region office in the condition in which they were rented to the club or individual. Damaged net systems will result in a fine of \$250 to the credit card on file.

Please schedule rental of nets at least three weeks in advance of the date needed for the net systems.

Have questions? Contact Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

# DO YOUR HOMEWORK BEFORE TRYOUTS

With changes to Badger Region policy set by the Board of Directors, families have expressed interest in finding information out about clubs, tryouts and membership in advance of the summer tryout period (which could start as early as July 20, 2024, for the 2024-25 season).

Below you can click on each icon to bring you to a short two-minute tutorial to get your questions answered about tryouts, membership, clubs and forms required to participate in most Badger Region programs and events.

Staff finds these to be the most common questions we get at our various open houses that we host throughout the year.

Best of luck in the coming season, and let us know if you have any questions. Go Badger Region!

# USAV Academy easier to access

The ability to access ref-training modules, junior officiating tools, coaching education resources and much more just became easier.

To access the USA Volleyball Academy, where all learning modules are stored, log in to your Sports Engine account. On your landing page, you will find the USAV Academy "LAUNCH" button that will direct you to the learning platform.

If you manage your account in addition to other household accounts (son, daughter, etc.) you will be prompted right away to "Select a Profile" of who is asking for access to the Academy. Pick your profile and you are on your way.

Once in the Academy, you can use the tools on the left rail to access the following:

- \* Enrollments (current assigned/required courses)
- \* Content Library (full, searchable databases)
- \* Certificates (Accomplished certifications)

\* Live Sessions (Mostly used for live coaching webinars)

\* Help Desk

Reminder: Only profiles with active, paid memberships will have access to

**USAVolleyball**

the USAV Academy. Trying to access the Academy as a parent of a player will not allow you to see ref-training videos. You will need to select the profile of the athlete to see items like Line Judge Training or Scorer Training.

# Save the dates: Age divisions set for Region's marquee events

It's going to be an exciting time at the Baird Center in downtown Milwaukee in February and March of 2025.

That is when and where the Badger Region will host four weekends of competition in the upcoming year. And with the expansion of the Baird Center, the facility will be able to hold more than 50 courts every weekend. That means for the Badger Region Championships, we will be back under one roof and all in two weekends.

Check out the dates and some of the details of some of the Badger Region's marquee event slated for 2025. All dates and age divisions are subject to change.

## Badger Region Championships

\* **March 15-16, 2025:** G12, G13, G14, G17, G18

\* **March 22-23, 2025:** G10s, G11s, G15s, G16s and all boys

## Badger Region Girls Qualifier

\* **March 1-2:** Featuring bid divisions for Girls 11s-18s. The 2024 event featured 110 teams in Madison

## Dale Rohde Memorial Boys Tournament

\* **Feb. 22-23:** Featuring over 130 boys teams from across the upper Midwest. The 2024 event featured 130 teams in Madison.

Also to note, the Dale Rohde Tournament and Badger Region Qualifier will coincide with the Milwaukee Auto Show taking place in the adjacent halls of the Baird Center. How cool is that!?

The Badger Region has not set dates yet for the Badger Boys Series or Power League. More info coming soon.

## USAV launches Try Volleyball initiative

USA Volleyball is excited to launch “Try Volleyball,” a national program designed to introduce kids to the sport at the local level.

Participants will receive an engaging and informative introduction to volleyball while also connecting with their local community volleyball organization—all at no cost. Clinics can be hosted by local volleyball clubs and sports organizations in communities across the U.S. and are sanctioned by USA Volleyball and its 40 regional volleyball associations (regions).

Our focus is on fun and accessibility, with the goal of encouraging more kids to play volleyball.

\* **For Grades 1-8:** Try Volleyball is open to all children in 1st through 8th grade who are eager to experience volleyball for the first time.

\* **Fundamental Skills:** It's the first step to learning fundamental volleyball skills and developing a lasting love for the game.

## AVCA to host 'First Serve' showcase

### Top college teams head to Louisville to kick off season

LEXINGTON, KENTUCKY (June 3, 2024) — Four of the nation's top collegiate volleyball teams will open the 2024 women's season at the AVCA First Serve Showcase on Aug. 27. The event features Kentucky, Louisville, Nebraska, and Wisconsin, and starts at 7 p.m. (ET) at Louisville's KFC Yum! Center.

“The AVCA is very excited to bring together four teams of this caliber to get the new season started,” says AVCA CEO Dr.

Jaime Gordon. “AVCA First Serve offers another way to showcase the sport and continue the momentum from the record-setting 2023 season.”

The first match of the night will feature Nebraska and Kentucky. The Huskers were the 2023

NCAA runner-up and they return four AVCA All-Americans, while the Wildcats, who won the national title in the spring of 2021, are led by three-time All-American setter Emma Grome.

Wisconsin then plays Louisville, in a battle of teams that have both made the NCAA semifinals two times in the last three years. The Badgers were national champions in the fall of 2021, and the Cardinals finished second in 2022. Each team returns three AVCA-All Americans from 2023.

With AVCA First Serve taking place in Louisville on Aug. 27, it means the 2024 season will both begin and end at the KFC Yum! Center, which is also the site of the 2024 NCAA Division I Women's Volleyball Championship Dec. 19 and 22. AVCA First Serve matches will be broadcast on ESPN2.

AVCA First Serve marks the dawn of a new era for the association's preseason event. The AVCA sponsored similar early season events from 1995 to 2011 and in 2014 and is able to restart this tradition based on its existing exemption through the NCAA for such competitions.

Tickets are on sale now.

# Membership options as we approach the 24-25 season

With June right around the corner we thought we would focus on membership options as the summer tryout period draws closer. The most important thing we want to clarify is that the current (2023-2024) membership season does not end until August 31, 2024; the 2024-2025 membership season does not begin until September 1, 2024 (with tryout memberships being the one exception). See below for a few examples of memberships that can be used/purchased for the summer tryout period.

Please send any questions from returning or prospective members to membership@badgervolleyball.org before purchasing the wrong membership type. Memberships are non-refundable and a refund waiver acknowledging such is agreed upon at the time of purchase.

An athlete/coach who has a

REGION VOLLEYBALL

2023-2024 Badger Junior Player Membership or 2023-2024 Adult Coach of Juniors Membership: No action needed prior to tryouts; their membership is valid through August 31, 2024.

They may begin purchasing 2024-2025 Full memberships (\$55) on July 1 (not valid until Sept 1), which will allow them to accept a club assignment request in Sports Engine.

A NEW athlete looking to participate in summer tune-ups & tryouts: We would recommend the 2023-2024 Badger Summer Junior Player Member-

ship (\$20). This membership covers all participation (with the exception of competition) until 8/31/24. The one negative to this is that since it is a 2023-2024 membership, it IS NOT upgradeable to a 2024-2025 membership. They can purchase the 2024-2025 Badger Junior Player membership (\$55) anytime after receiving an offer in order to accept their club assignment

A new coach looking to participate in tune-ups & tryouts: We recommend using the 23-24 Badger Summer

Adult Coach of Juniors Membership (\$20). They will need to complete a background screen, SafeSport, and IMPACT prior to participation. PLEASE NOTE: if SafeSport is completed prior to August 1, 2024, it will need to be taken again after August 1, 2024 in order to be applied to a 2024-2025 Badger Adult Coach of Juniors membership (\$55, available July 1; valid Sept 1)

An athlete, without current membership, looking to register for Tryouts only: We recommend they purchase a 24-25 Badger Tryout – July through Dec membership (\$10); available for purchase starting June 3, valid beginning July 1.

Athletes or Coaches not participating in the summer tryout period, but participating in the traditional fall tryout period: Purchase any 2024-2025 membership options beginning July 1 (valid on Sept 1).

# Are your team's jerseys compliant?

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers

are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of

the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

# E.S.P. program recognizes sportsmanship

Wristbands given  
to adults being  
great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

## Nominate a coach, player or ref for special honor

'Caught Doing Good'  
now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org) or call 414-313-9055.

# Board approves changes to tryouts

## Region clubs allowed to offer a summer tryout

The Badger Region Board of Directors met Nov. 20, and voted to allow an additional tryout and commitment period to take place in the summer starting with the 2024-25 club volleyball season while maintaining the October and November tryout and commitment periods that are currently in place.

The following motion was approved by the Board 11-1 and will be effective July 1, 2024.

The Badger Region will allow clubs to open tryouts to all ages and gender of athletes on the second Saturday after the conclusion of the final day of the USA Volleyball Girls Junior National Championships (GJNC) or Boys Junior National Championships (BJNC) (whichever is later). All tryouts must be completed by 11:59 p.m. CT the Sunday before the start of the WIAA season. If an athlete receives an offer from a club, it must be honored until 7 p.m. CT Aug. 1. Any offer made after that time is at the discretion of the club.

Summer tryouts must be concluded once high school season begins. If a club holds a tryout during the regular fall tryout period, they may do so the first Saturday in October for athletes 14-and-younger, or the Saturday after the conclusion of the WIAA state volleyball tournament (15-and-older). Clubs must honor their offers until the Monday after the tryout period at 7 p.m. Any offers made after 7 p.m. are at the discretion of the club.

Clubs can offer a retention offer to those athletes who played for their club that season for the following club season to athletes starting on July 1 through seven days after the final day of the GJNC or BJNC (whichever is later).

## Details

The second Saturday after the last day of the GJNC and BJNC would allow a minimum of at least eight days for an athlete to recover from the end of their season. It will also allow some time for athletes and families to consider possible retention offers they may have received, and mirrors tryout policies from neighboring regions.

The policy allows clubs to host tryouts for all ages and genders during the summer tryout period while still retaining the fall tryout periods. Clubs may choose to host tryouts during any or all of the available periods. The updated policy does not mandate that a club hold tryouts during the summer tryout period; this is up the discretion of each individual club.

The Aug. 1 commitment date allows a longer tryout period and will allow athletes to attend multiple tryouts possibly over two weekends. This gives athletes and families to try out at multiple locations and not have to race from club to club on just one day of tryouts. The Aug. 1 deadline gives clubs and athletes two weeks before the high school season starts.

Moving the retention period to July 1 through seven days after the final day of the GJNC or BJNC allows clubs who choose not to participate in the summer tryout period to retain athletes. The summer tryout period and summer retention appeal to athletes who want to know what club they will train with and compete with after their high school or middle school seasons.

If a club chooses to host a tryout in the summer period, they can then advertise for

available team openings for the fall tryout periods. Allowing a summer tryout gives clubs additional planning time to organize their resources to prepare for the upcoming club volleyball season.

## Timeline

These policies will go into effect for the 2024-25 season, with the applicable dates below for the coming season

1. Retention will open July 1, 2024, for the 2024-25 season the last day of the 2024 GJNC / BJNC will be July 11.
  2. The last day a retention offer can be signed will be July 18.
  3. The first allowed dates for tryouts will be July 20
  4. The first commitment date will be Aug. 1. Any offers made after this date are at the discretion of the club.
  5. The last allowed date of summer tryouts will be Aug. 18.
  6. WIAA (high school) season starts Aug. 19
  7. Fall tryouts can start Oct. 5 for 14-and-under (Commitment date: Oct.7)
  8. Fall tryouts can start Nov. 16 for 15-and-older (Commitment date: Nov. 18)
- More details about how official commitments will be made and other logistical adjustments will be published once they are finalized.
- The Badger Region appreciates all of the time spent by the tryout committee, board members, club directors and others during this several year process. Numerous surveys of families and clubs, club director listening sessions and almost two years of planning went into the decision made by the Board of Directors.
- We understand that with change comes questions, which we will help facilitate. Please send any questions to [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

# Region to host 2025 All-Star event

## Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at [www.BadgerVolleyball.org](http://www.BadgerVolleyball.org) or contact us at [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
