## New players, coaches clinic set for Sunday

The Badger Region is offering the first of two [coaches and players clinics](#) at 1 p.m. Sunday, April 23, at the New Berlin SportsPlex.

The youth player clinic will be open to any athlete ages 11-14 interested in a general skills clinic that will be led by members of the Milwaukee Dive semi-professional team men's VLA team.

The coaches clinic will be open to any coach or parent interested in getting into coaching or wanting to refresh their coaching skills heading into the middle school season that is coming up. One aspect of the coaches clinic will be how to start a youth program that would fit well in the Badger Region Youth Fall Volleyball League or as how to start a club program during the "regular" club season November through April. New or recently new club directors are encouraged to attend this event.

During the first hour of the clinic, coaches will work specifically with Badger Region staff on learning coaching and directing best practices. The first half of the clinic will focus on technique and basics for the youth athletes.

During the second hour of the clinic, the coaches will be brought into the gym to watch as the Milwaukee Dive team puts the athletes into more competitive drills that simulate game play.

Cost to attend the clinic as a player or a coach is \$20. All players will receive a t-shirt. All adults who attend will receive a coaching binder and other Badger Region swag.

[To register for the April 23 clinic, click here.](#)

Our next coaching and player clinic will be Aug. 27 prior to the start of the BRYFVL season.

# State's college club teams wrap up season on high notes

The 30th Annual WVC Championships took place April 7-8 at the Milwaukee Sting Center in Menomonee Falls. Forty-three college club teams gathered from Wisconsin, Michigan, Minnesota, and South Dakota and competed for the right to be called "Champions" in four divisions (Men's D1, Women's D1, Men's D2, and Women's D2).

In Men's Division 1, it was UW-Oshkosh once again asserting itself as the top team in the league. The Titans went 3-0 in pool play, earning a bye to the semi finals where they defeated UW-La Crosse 25-21, 25-22. In the Championship match UW-O defeated #1 seed UW-Eau Claire 25-23, 25-19. Middle blocker Seth Kurkowski was named the tournament MVP with setter David Paul and rightside Cade Coenen joining him on the all-tournament team. Other All Tournament Team selections included: Matt Schulte (UWM), Danny Bellnapp (UWL), Trey Myers (UWEC), and Mason Mortimer (UWEC).

Women's Division 1 saw UW-La Crosse soar to the title for the second consecutive year as the Eagles went 3-0 in pool play before defeating South Dakota St., in an exciting match, in the semis (25-10, 22-25, 15-9) and Winona St in the finals (25-22, 25-17). Middle Blocker Gaby Garcia was named Tournament MVP with Setter, Kenize Krach and Right Side, Hannah Powers joining her on the all-tournament team. Other all-tournament team selections included: Taylor Hullman (WSU), Lexi Steffes (WSU), Trista Baustian (SDSU), and Molly Crandall (UWEC).

In Men's Division 2 it was UW-Milwaukee 2 who fought their way through the field. The Panthers went 2-1 in pool play (with their lone loss coming to UW-Green Bay placing them on the opposite side of the bracket). UW-M defeated UW-River Falls in a tightly contested semi final 25-22, 25-23 while benefiting from UW-Whitewater knocking off UW-GB in the other semi. Milwaukee kept the momentum going by hanging on to defeat the Warhawks 17-25, 25-23, 15-13 in the championship match. Setter/RS Bennett Woodliff was named tournament MVP with teammates Benji Seaman (OH) and Payton Seymour (L) joining on the all-tournament team. Other All Tournament Team selections included: Michael Haverkorn (UWRF), Ben Heller (UWGB), Luke Martinson (UWW), and Tyler Lynch (UWW).

In Women's Division 2 UW-La Crosse 2 was dominant throughout the tournament and did not lose a match. A 3-0 finish in pool play setup a quarterfinal match with Northern Michigan who they defeated 25-17, 25-17. In the semis the Eagles took down UW-Eau Claire 2 in a match that went the distance by defeating the Blugolds 25-15, 20-25, 18-16. UW-L regained its dominant form with a 25-19, 25-15 sweep of UW-Stevens Point 2 to claim the championship. Middle Blocker Mya Burdick took home MVP honors with setter

## National Collegiate Volleyball Federation Championships

Last weekend 23 teams from the Wisconsin Volleyball Conference went Kansas City for the NCVF Championships. After three days of play, two WVC teams came home as NATIONAL CHAMPIONS!

Congratulations to the University of Wisconsin Eau Claire Women's team for successfully defending their title from a year ago. The Blugolds came in as the #2 seed overall and went 9-0 in matches while only being extended to a third set once (by Emory in a championship power pool). In Gold bracket play, UWEC marched through Indiana U PA (25-13, 25-12), before facing familiar faces and WVC counterparts UW-River Falls (25-14, 25-21) in the quarterfinals and UW-La Crosse (25-14, 25-20) in the semis. This pitted Eau-Claire versus tournament #1 seed Colorado Christian University on championship court, in the Kansas City Municipal Auditorium, where the Blugolds never flinched, winning 25-23, 25-19 to become 2x National Champions! Claire Caswell was named MVP with teammates Samantha Strelnieks and Jordan Pagac also being named to the 1st Team all tournament along with Kenzie Krach (UWL) and Hannah Powers (UWL).

A total of 11 WVC Women's athletes were named All-Americans; a full list of WVC, 2023 NCVF All-Americans can be found [HERE](#).

In Men's Division 2 play it was a rematch of last year's national championship match between UW-La Crosse and UW-Eau Claire.

Both teams looked dominant throughout the weekend, entering the finals with unblemished records. UWEC did not drop a set en route to the championship match and held its opponents in the gold bracket to an average of 20 pts/set. UW-L was pushed to a third set only once (by St. Thomas University) before sweeping all its opponents in the gold bracket.

However this time around the Eagles of UW-La Crosse would not be denied. Led by National Player of Year Danny Bellnapp and strong play out of the middle from Nicholas Voet & Xavier Stueber UW-L became National Champions with a 25-22, 25-19 victory in a match that never really seemed that close. UW-La Crosse was awarded for its strong play with 5, First Team All-Americans: Bellnapp (MVP), Christian Brayer (L), Joey Mahan (OH), Keegan Kearby (S), and Nicholas Voet (MB). Also named to the first team were Carson Bakkala (MB, UWEC), Beau Sweitzer (RS, UWEC), and Mason Mortimer (OH, UWEC). In total 21 WVC Men's athletes were awarded All-American honors; the full list can be found [HERE](#).

## Region website gets new look

One Tuesday, April 4, the [Badger Region website](#) received a facelift to make it more mobile friendly and more easily searchable.

The re-design of the website ([www.badgervolleyball.org](http://www.badgervolleyball.org)) was an initiative that came from the 2022 Strategic Planning that was attended by the Badger Region Staff and Board of Directors.

The majority of the content of the website has remained the same. The Region is still in the process of updating the new website and pulling over some of the content from the previous website. Please be patient with the process if something appears to be missing.

The Region website will be your go-to resource for all things relating to membership, officials information, event updates and much more.

Have questions about the new website? Email Badger Region Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

## Info on summer opportunities

Looking for a summer membership so someone you know can join you at a summer clinic, camp, or beach event? Discounted summer memberships will be available after May 1, 2023. They will be good through Aug. 31.

For a full list of summer camps taking place in the Badger Region and throughout the Midwest, [click here](#).

Athletes/Parents: If your son or daughter are looking to extend their season and compete on a national team, the original club must send a confirmation email to the Badger Region approving the release of the athletes from the original club.

This must be done before he or she joins the new club for the remainder of the year.

Releases are not required for a joining a different club's beach program.

## Scholarship deadline set for April 21

The Badger Region will be again be awarding 17 scholarships to seniors headed to college in the fall of 2023. Winners will be announced in May.

Eligible seniors must be current members and serve as an athlete, coach or official in the Badger Region for the 2022-23 season. The deadline for application is April 21, 2023.

[To apply for the scholarship, click here.](#)

Of the 17 scholarships being awarded, two of the scholarships will be awarded as part of the Frisco Mo Do Good Scholarship. These individuals must have documented some form of community service in the last year to be eligible for the Do Good Scholarships.

All candidates who meet the requirements set by the Region will be entered into a random drawing for the scholarships. All scholarships awarded by Badger Region and Frisco Mo are valued at \$500 and will be paid directly to the college in August of 2023.

Questions? Email Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

## Nominations being sought for those 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in. You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click

here: <https://badgervolleyball.org/caught-doing-good/>.

All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be April 30, 2023.

## WORK CREW SHOUTOUTS

I'd like to make a shout out for the great officiating work provided by all the members of the Impact 17-Blue team during their participation of the Midwest Penguin Tournament held at Center Court in Waukesha on Saturday, April 15.

I would like to specifically acknowledge the distinguished work and effort of Kierstin Martin who worked as an R-2. I told her what a great job she did. I encouraged her to continue to work as an official because of her clear signals, and knowledge of the game. Hopefully, she'll continue her positive work and follow-up.

## Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

**UPLOAD HERE:** <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:

# YOUR COACH'S CONFESSION

Mark Horbinski

I'm worlds away from perfect  
but I do the best I can -  
Although you may not know it,  
I am your biggest fan

I wrestle with the lineups  
trying to get them right -  
before the sun's up in the morning  
and late into the night

I want so very badly  
for you to taste success -  
your happiness consumes me  
to the point where I obsess

But sometimes tough decisions loom  
as the season passes -  
and the choices that I have to make  
aren't popular with the masses

Maybe if I were a better coach  
we would all go from good to great -  
then everyone would get their chance  
to participate at State

But the odds are stacked against that;  
I'm just an average man -  
Yes I am far from perfect  
so forgive me if you can

# One platform for your club's video, development and recruiting needs.

## Empower athletes.

Every athlete can enable a comprehensive recruiting profile—with athletic and academic achievements, as well as highlights and full match film—to truly own their recruitment.

## Learn from video.

Coaches can use Hudl to pinpoint where athletes should direct their focus. Learning is no longer restricted to practice—athletes can dedicate time off the court to review video and learn new concepts.

## Improve with insights.

Tying data to the video puts an objective spin on each athlete's strengths and weaknesses. They can also track key stats throughout the season to see how they improve from match to match.

# Club-wide packages

## Discover game tendencies.

Unlimited breakdowns through Hudl Assist offers video and stats for every athlete and coach.

## Agreement terms to fit your clubs needs.

Find terms that fit your club and put you in the best position to succeed.

## Attract new talent.

Get competitive when it comes to prospective athletes. Show athletes you are invested in their growth by adding the best tools for volleyball to your club.

## Own the recruiting process.

Give recruiters what they want to see by including content on a Hudl profile that helps them evaluate athletes. These profiles are the best way to let programs know what skills could bring to their team.
