Recent players/coaches clinic a perfect mix for new participants

Forty-eight young volleyball players (boys and girls ages 14-and-under) along with 15 relatively new and inexperienced coaches joined the Badger Region staff and members of the Milwaukee Dive men's semi-professional team for a clinic for coaches and players on Sunday, April 23 at the New Berlin SportsPlex.

"This was so great for the young athletes to learned from adults who started right where they were probably 10-12 years ago," said program director Brian Sharkey. "And, on top of that, it was great to see so many coaches who are committed to getting better join us in the gym that day."

The Region will do its next player/coach clinic in August.

Memberships now available for summer activities

Know somebody who needs a summer membership to participate in a Badger Region-sanctioned youth clinic, beach tournament or summer camp?

Discounted summer memberships that are valid from May 1 through Aug. 31, 2023, and are now on sale and can be accessed under the membership tab at www.badgervolleyball.org.

Adult members are reminded that summer memberships are not valid for the USA Volleyball Open National Championships.

Nominations being sought for those 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click

here: <https://badgervolleyball.org/caught-doing-good/>.

All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be May 31, 2023.

Feedback sought from Region officials

As we get towards the end of the 2022-2023 Badger Region events season, and we head towards the May 10 Badger Region Board of Directors meeting, the Badger Region wants to gather some information from officials.

This information will be shared with the Board of Directors without names attached.

Only Executive Director

Jennifer Armson-Dyer will have access to the survey with names attached, except in instances where the official states it is OK to be contacted by a board member regarding their responses.

The link to the survey was shared on Thursday, April 27 in the Badger Ref Bulletin.

Need the link re-sent or have questions? Contact Jen at jarmsondyer@badgervolleyball.org.

Thank you for your time!

New boys programs in the works

* DeForest High School Boys Volleyball started a club team during the regular boys volleyball season fall 2022. It was very successful with a lot of boys coming out to join the team. Based on that success, DeForest High School will have a WIAA boys volleyball JV team starting for the fall 2023 season. They hope to have both JV1 and JV2 teams if enough boys show up for tryouts. If that season goes well and interest remains high, DeForest High School will be adding a varsity team for the fall 2024 season. Alex Wallace will be the first head coach for the program.

* Sheboygan South High School is adding a boys volleyball program and is following in the footsteps of its neighbors Sheboygan North High School. The team will be lead by Sheboygan South team will be led by Max Behnke, a coach at South Shore Slam VBC.

Good luck to both programs!

WORK CREW SHOUTOUTS

Shoreline 15 Gold coached by Kari Katzenberger. R2 Isabel Foerster, Scorer Jordyn Courtney and the line judges all did a very fine job and insured that the match was well managed.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:

No Tomorrow

Mark Horbinski

There's always tomorrow for me to do my best
Right now I'm kinda tired so I'm going home to rest

Tomorrow I'll be better Coach, I know that for a fact
I'll make up for the effort that today you think I lacked

It's only just one practice, one game or just one race
I'll give you more tomorrow Coach, so just get off my case

There's still a lot of season left and time for me to shine
Awards to win and accolades I plan on making mine

Just not right now, I'm kinda tired; not feeling it today
Who's it really gonna hurt if I leave instead of stay?

But what if your tomorrows suddenly end tonight?
Will you regret your choices or will you be alright?

Will you have given all you've got and gone the extra mile
to make your parents proud of you and make your own heart smile?

Or will you live with doubt, regret, and maybe even sorrow
wishing that you lived today like there's no more tomorrow?
