Badger U17 Girls All-Stars share moment with Canada

Some of the memories associated with playing at the USA All-Star Championships aren't always associated with wins and losses. And that can't be more true, especially for the Badger Region Girls U17 team that competed in the International Division.

The Badger Region had the

opportunity to meet and compete with athletes from Canada on Day 2 of competition, defeating team 3-0.

In year's past, Badger Region has played against Canada, New Zealand, Puerto Rico, Peru and others at this international event.

Memories to last at lifetime at the USA All-Star Championship.

Refs represent region at ASC

The Badger Region was fortunate enough to have six amazing officials be selected to participate in the 2023 USA All-Star Championships in Fort Lauderdale.

Only delegations who send teams to the elite event are allowed to nominate referees and scorers for the tournament. This year, the Badger Region delegation included

the following six officials (from left):

- * Alexis Sheldon
- * Jim Arts
- * Erin Stalker
- * Julie Voeck (head official)
- * John Nelson
- * Max Nuon

Congratulations to all of the officials and thank you for representing the Badger Region so well!

Save the dates for these big Region tournaments

Mark your calendars for a full slate of Badger Region events in 2024. The upcoming season has presented challenges with space limitations at various facilities and an early Easter. Add in other big events moving their ages and dates around, and our team has worked hard to minimize conflicts. We appreciate your understanding and we will continue to provide the same exceptional events that showcase our Wisconsin talent right here in different parts of the state.

Here is a list of dates and locations for 2024:

* **March 2 or 3:** Dale Rohde Boys Memorial Tournament (Madison Alliant Energy Center)

* **March 2-3:** Badger Region Girls Qualifier (Madison Alliant Energy Center)

* **March 9-10:** Badger Region Championships for Girls 11-12s (Champion Center in Appleton)

* **March 16-17:** Badger Region Championships for Girls 13s Wisconsin/Badger Divisions and Girls 15s (Resch Convention Center in Green Bay)

* **March 16-17:** Badger Region Championships for all Boys as well as Girls 14s (Wisconsin Center in Milwaukee)

* **March 23-24:** Badger Region Championships for Girls 13 Open and 13 Club as well as all G16s, G17s and G18s (Wisconsin Center in Milwaukee)

Nominations being sought for members 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click here: <https://badgervolleyball.org/caught-doing-good/>. All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be May 31, 2023.

Retention period open from Aug. 1-10

Badger Region will allow an optional “Retention Period” from Aug. 1-Aug. 10 for clubs to be able to offer a spot in their club for the previous season’s players for the upcoming season. After 7 p.m. CT on Aug. 10, the Retention Period ends. Offers not accepted by that time are void and will not be recognized by the Region. All offers after that timeframe must occur during the Fall 2023 tryout period. Failure to adhere to this rule will result in sanctions on the club by the Badger Region.

This optional Retention Period affords clubs the flexibility to extend early offers to returning club members for the purpose(s) of player retention, budgeting and other logistics, including securing and training coaches, etc. The August Retention Period timeframe was chosen to avoid conflicts with both the club and high school seasons for the athletes. This opportunity can help relieve some of the anxiety and stress of tryouts for players who already know that they will be able to return to their club. This is done

at the club’s discretion and the Region will have no involvement in the specifics of this process, including if a club chooses to offer this option, who is offered, who is not offered, and if the club offers a spot within the club or on a specific team.

It is up to the family to decide if this is the best option for them, with the understanding that commitment during this time period is binding to the club for the entire season, per the Badger Region tryout and commitment policy, found on the Badger Region website.

ONCE A FAMILY RETURNS A RETENTION PERIOD AGREEMENT TO A CLUB, THE FAMILY HAS COMMITTED TO THAT CLUB FOR THE ENTIRE 2022-23 SEASON. The family must select that club in the member management system after Sept. 1, 2023. Any abuse of the Retention Period guidelines may result in sanctions or revocation of Badger Region membership for the season.

Open houses set for this fall; Board to meet on August 9

The Badger Region is planning a handful of open houses again this year for clubs to set up tables in various locations and we want to get these on your radars.

* Sept. 13: At Fiserv Forum starting at 6 p.m. before/during the Marquette/UW-Madison women’s NCAA match that starts at 7 p.m.

* Sept. 17 at the New Berlin SportsPlex in conjunction with a Youth Clinic

* Oct. 25: Boys open house at Pius XI High School in MKE

More details will be coming about all these open houses and clinics in the next few weeks.

CAUGHT DOING GOOD

A positive coach in the world of boys volleyball

As we look back on the 2022-23 season, we celebrate the great coaches, athletes, parents and officials who were Caught Doing Good by their peers.

Today's CDG features coach Dakotah Armbruster

Write-up: Dakotah is the Boys 18s Coach for Club W based in Western Kenosha County.

A coach that always has a smile regardless of if you are

losing or not, he tells his team to always keep playing hard.

He has been complimented by so many teams parents in his positive attitude and never gets upset. The up refs has made these comments as well.

Dakotah always emails his parents every week with updates so everyone knows what's going on. Dakotah this past fall took on a new high school team first year boys program at Waterford High School. Dakotah is one of the good guys, he is just an all-around good coach great role model and liked by everyone.

Thank you for being a positive role model in the Badger Region.

For his service to the volleyball community, David will receive some cool Badger Region swag.

Have someone you want to nominate for

Caught Doing Good? Email brian@badgervolleyball.org.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
