Mark your calendars for a full slate of Badger Region events in 2024. The upcoming season has presented challenges with space limitations at various facilities and an early Easter. Nominations being sought for members 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes

at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click here: <https://badgervolleyball.org/caught-doing-good/>.

All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be May 31, 2023.

CAUGHT DOING GOOD

Sportsmanship earns team praise

As we look back on the 2022-23 season, we celebrate the great coaches, athletes, parents and officials who were Caught Doing Good by their peers.

Today's CDG features the JustAGame 16s team.

Write-up: The JustAGame 16s coaches, players and parents are top notch. We've faced off 2x in FL (once last year in a championship match) and there is no classier or better sportsmanship ever seen better than your girls today (and last year) at the ESPN

Wide World of Sports. We each rooted for the other and our girls were so impressed by the kindness they showed to one of our injured players. Your club does everything right. We appreciate you.

Note: This message came from the parent of a player the Illinois Juniors 16-1s team. Congratulations JustAGame!

Have someone you want to nominate for Caught Doing Good? Email brian@badgervolleyball.org.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
