Sign up now for youth clinics; join us at open houses

The Badger Region is planning a handful of open houses again this year for clubs to set up tables in various locations throughout the state of Wisconsin.

In conjunction with three of the open houses, athletes 14-and-under will be able to attend a free youth volleyball clinic. The open houses where you can purchase club offerings are free to attend and do not need attendees to pre-register for. The clinics (on court) are limited due to space, so sign up early.

The youth clinics are not affiliated with any club. Athletes will be trained by Badger Region staff and members of Milwaukee Dive.

* **Sept. 10:** Open house and clinic at West DePere High School from 10 a.m. to noon. Sign up for the youth clinic by [clicking here](#).

* **Sept. 10:** Open house and clinic at the Champion Center in Appleton from 2 to 4 p.m. Sign up for the youth clinic by [clicking here](#).

* **Sept. 13:** Open house only at Fiserv Forum starting at 6 p.m. before/during the Marquette/UW-Madison women's NCAA match that starts at 7 p.m. You must have ticket to the match to attend this open house. [Tickets here](#).

* **Sept. 17:** Open house and youth clinic at the New Berlin SportsPlex. The open house is 1-4 p.m. The youth clinic is 1:30 to 3:30 p.m. [Sign up for the clinic here](#).

* **Oct. 25:** Boys open house at Pius XI High School. The boys open house is run in conjunction with an exhibition match featuring two high level men's collegiate club volleyball teams from the Badger Region.

VOLLEYBALL DAY MILWAUKEE

Groups help new coaches, athletes find love for game

The Badger Region partnered with St. Marcus Lutheran School and USA Volleyball for what turned out to be a great two days of learning on Milwaukee's north side.

On Friday, Aug. 11, 30 new and/or inexperienced coaches began the weekend for a coaching clinic led by John Kessel (USA Volleyball), Eric Hodgson (Arizona Region) and Brad Van Dam (Milwaukee Sting). The coaches received a coaching padfolio from the Badger Region and other coaching must-haves from Sports Imports.

On Saturday, Aug. 12, over 150 athletes that ranged in age from kindergarten to eighth grade came through the door at some point to learn from Kessel, Hodg-

son, Van Dam, and other coaches from Milwaukee Sting and the Badger Region staff. All participants received a t-shirt, free volleyball and some food thanks to the resources put into Volleyball Day Milwaukee.

A handful of athletes from the Marquette University women's volleyball team (ranked No. 12 in the country) also joined the festivities handing out posters and signing autographs for the participants at St. Marcus.

About The Poll

All boys volleyball coaches in the state have the ability to vote in the weekly Boys High School Volleyball Top 10 Poll sponsored by the Badger Region Volleyball Association and Frisco Mo Apparel

Pre-season Poll Aug. 22, 2023

Welcome to the first Wisconsin Boys High School Volleyball Top 10 Poll sponsored by the Badger Region Volleyball Association and Frisco Mo Apparel.

The first poll of the year sees last year's state champion (Catholic Memorial) taking the top spot,

as voted on by the 27 coaches who submitted ballots this week.

The rest of the ballot is dominated heavily by teams who made the state tournament in 2022 including Marquette, Arrowhead, Middleton, Tosa East, Appleton North and Franklin.

Competition begins in earnest this week, especially Saturday when Kettle Moraine hosts a 24-team invite at KMHS and Waukesha North High School.

Good luck to all teams.

Have questions about jerseys?

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys

should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

Have questions? Email sara@badgervolleyball.org.

REFEREE NEWS AND NOTES

Interested in refing? Save the dates for in-person Badger Region officials meetings (Zoom dates may be scheduled to follow if needed):

* November 19th Noon to 2 p.m.

* December 10th Noon to 2 p.m.

The 2023-25 USAV rule books have been ordered and will be disbursed to all officials who complete requirements to be assignable in 2023-24.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
